

*Quality & Service You Can
Count On!*

Our company, Coral Springs Computer Solutions was established for a specific reason. Our company founders and staff "love" computers and technology. We have grown over the years from your next door neighbor "Computer Guy" to a full computer service company serving all of Broward, Palm Beach, and Miami-Dade Counties.

Customer service is a must with our services! We don't show up to just to do a job, we initiate a relationship with our customers so that any questions or concerns that you may have are answered promptly. Our guarantee is simple; our staff of technicians don't stop until you are 100% satisfied! Our affordable rates & quality customer service will reflect positively on you!

SERVICES & GENERAL PRICE SHEET

Computer Service & Repair **\$149.99/per system**

Flat rate is unlimited time for pickup only. A travel fee may be applied based on area of service.

Diagnostic Fee **\$89.00/per system**

Just want us to locate the problem, but not fix it? This diagnostic fee will be charged. * Software related only

Laptop Computer Hardware Repair **\$399.00/flat**

Flat rate is for problems with laptop computers other than software. This repair involves disassembly of laptop unit and repair. Service does not include parts.

New Computer Setup **\$129.99/per system**

We will set up your computer (including your monitor, keyboard, mouse and speakers), install 1 software application and 1 external peripheral device, configure your existing Internet configuration and 1 existing e-mail account and test your PC for proper functionality.

Standard Wireless Networking **\$119.99/flat**

We will set up and configure your home computer's wireless network connection with your ISP, connect a wireless router, update router firmware and enable wireless encryption.

Hardware Installation **\$149.99/onsite or \$69.99 p/u**

We will install an internal or external PC component, such as a graphics card, hard drive, optical drive, MP3 player, printer or scanner, and configure it for added convenience.

Memory Installation **\$139.99/onsite or \$59.99 p/u**

We will install an internal stick of memory to your laptop or desktop. Hardware not included.

* Prices are subject to change at anytime. All prices may be subject to a \$20.00 travel fee based on area of service.

Software Installation **\$129.99/onsite or \$49.99 p/u**

We will install and/or repair, configure and update 1 software title and add convenient desktop, start menu and quick launch bar shortcuts for quick and easy access.

Computer Training **\$85.00/hour**

We will come to your home or business to teach you the advanced techniques of operating your computer. Learn things such as in depth program techniques, downloading from the internet, CD burning, and much more...

Customized Web Design **Call For Quote**

Contact us by phone or email so that we may ask you some questions about your plans for your new website.

Windows Installation (New) **\$199.99/per system**

We will install your copy of Windows and verify that everything is working properly. Software Not Included

Hard Drive Data Extract **\$299.99/per system**

Flat Rate. Did your computer crash? No worries, we can retrieve all of your family photos and documents that are not replaceable. Must have a functioning hard drive. Service includes re-installation of Windows. Windows Not Included

Data Extraction II **starting at \$1,500.00**

Corporate Computer Crashed? Have a damaged hard drive? We may be able to save your business even with a damaged hard drive.
