

Quality & Service You Can Count On!

Our company, Coral Springs Computer Solutions was established for a specific reason. Our company founders and staff "love" computers and technology. We have grown over the years from your next door neighbor "Computer Guy" to a full computer service company serving all of Broward, Palm Beach, and Miami-Dade Counties.

Customer service is a must with our services! We don't show up to just to do a job, we initiate a relationship with our customers so that any questions or concerns that you may have are answered promptly. Our guarantee is simple; our staff of technicians don't stop until you are 100% satisfied! Our affordable rates & quality customer service will reflect positively on you!
